Substance Abuse Services at New Horizons

New Horizons offers several different types of substance abuse treatment. Our highest level of care is Intensive Outpatient treatment, which meets 3 times weekly for 2 hours per session. The next level of care is Standard Outpatient treatment which meets 2 times weekly for 2 hours per session. In addition, New Horizons offers 1 time weekly substance abuse treatment for 2 hours per session for individuals needing a lower levels of care, for a minimum of 12 weeks. The number of sessions assigned can be determined based on a screening conducted by the trained intake counselors at New Horizons. Relapse Prevention treatment meets 1 time weekly for 2 hours per session for 16 sessions, and focuses on treatment for individuals who have a length of sobriety, and will help them to maintain sobriety by developing a long term relapse prevention plan. New Horizons also offers DUI and Substance Abuse Education for 16 hours, focusing on teaching about the harmful effects of drugs and alcohol. The DUI treatment at New Horizons and can be tailored to meet court requirements. Please call our office for additional information.

New Programs

New Horizons is pleased to offer a new Wellness Strategies group to help individuals cope with life stressors and general mental health issues. Please call 623-939-6567 to sign up today!

New Horizons now offers DUI revocation services assisting individuals with DUI charges in getting their driver's license back. Appointments are now available, please call our office to schedule.
